EN SUE BROKE WORLD RECORD

CHINESE ATHLETIC CLUB HAD FINE FIFTY FIVE LAST SATURDAY

The third annual field day under the auspices of the Chinese Athletic Club which was held on Saturday afternoon at the Diamond field proved to be a great success.

Long before the hour set for the arrival of the people began to arrive in large numbers, and by the time that the first event of the day was run off the grand stand and enclosure inside of the ropes were well filled with an enthusiastic holiday crowd.

The weather at times looked rather threatening although one or two slight showers which did not do very much harm came down. The track was in fairly good condition, considering the heavy down-pour of the morning.

The events as a whole were closely contested the only room for improvement in future is the hope that they will be run off with a little more alacrity. The cause for the delay Saturday being the fact that a number of the entrants who were entered in the events were also entered for the field events.

The individual honors of the day went to En Sue who scored 28 points against John Lo's 18, and the club honors went to the Chinese Athletic Club who scored a total of 63 points against the Chinese Students' Alliance 19.

Charles F. Chillingworth who acted as Referee, offered a gold medal to the man making the most points just before the races started.

The first men in each event received a silver medal with the colors of the C. A. C. in green and white enamel, while the second men received red carnation leis presented to them by the Misses Ching and Hoy.

The most exciting event of the day was the final of the 50 yard dash when the crack sprinter En Sue came home at top speed cutting his own record of 5-2-5 down to 5-1-5, and also breaking the world's record by 1-5 of a second. It is unfortunate that this record will not stand, but as the local members and the clubs are not members of the A. A. U. who have charge of athletics, it will be impossible for En Sue to have his name entered in the list of world champions.

The following are the lists of the events, and the winners with their time.

100 yard dash En Sue first, John Lo second, time 10-3-5.

High jump John Lo and En Sue tied for first place with a jump of 5 feet 3-4 inches. On the toss up Lo won.

One mile run, Wah Kai first, Ng second, time 5-25-4-5.

50 yard dash En Sue first John Lo second, time 5-1-5 seconds world's record.

Putting 12 pound shot John Lo first, W. Ayau second, distance 35 ft. 6 in.

Half mile run, Hong Crack first, Von Sea second, time 2-24-1-5.

Running broad jump En Sue first, John Lo second, distance 29 ft. 4-3-1 in.

120 yard hurdles Von Lan first, En Sue second, time 16-2-5.

220 yard dash En Sue first, Sing Chong second time 26 sec.

Pole vault, J. Hoy first, John Amoy second, height 9 ft. 2 in.

Quarter mile run, Ching Pung first, Hang Yan second time 59 seconds.

One mile walk Sam Hop first, G. H. Pang second, time 9-38-1-5.

SPORT NOTES

The foursome golf tournament held yesterday morning on the links of the Country Club was won by Harold Giffard and Henry Roth who won from John Evans and A. G. Hawes Jr., by three up and one to play. The winning pair played fine golf throughout. The driving and putting of Harold Giffard was the best seen for many days on the popular links.

In the afternoon the tournament for tickets to Haleiwa attracted 36 entries, the following players being the lucky ones who will not have to pay their own fare down to Haleiwa on the day of the next White Rock tournament on February 16.

THE MINNESOTA WAS ALSO ASHORE

SHIP OF THE LOSS DAKOTA HAD A NARROW ESCAPE

SAN FRANCISCO, January 31.—The ship which continues to pursue the H. line, according to a dispatch received in San Francisco this morning from London, in which it is set forth that the Minnesota was ashore near Moji, in Japan, while bound for Seattle from Hongkong with many passengers.

Fortunately the vessel managed to get off the rocks unscathed and at last accounts was proceeding to sea with the worst for the experience. Just what damage was sustained is not known, and it will be necessary to hold a survey of the hull upon the arrival of the steamer at her destination.

Of late, the Minnesota has had several narrow escapes from disaster in the Far East. On one occasion she was in her bunkers for several days and much damage was done.

The Dakota, a sister ship of the Minnesota, was wrecked in the Orient over a year ago and resulted in a total loss.

THOUGHT JACK LONDON LOST

OFFICER OF BANK WHICH LOST TO AUTHOR FINDS FAULT TO TRACE THE SEA ADVENTURER.

Since the following was published Jack London has arrived at San Francisco.

OAKLAND, January 31.—Supposedly because its officers have been unable to find any trace of Jack London, the bank which was organized to trace the world in his trail craft, the shark, and the fear that he has met disaster somewhere in the south seas the Central bank recorded today a mortgage against London's home in Twenty-seventh street near Telegraph avenue which was drawn last April.

The trust deed was given by the adventurous writer to obtain funds with which to outfit his craft and carry out his project of sailing around the world. The negotiations were carried out secretly at the time and evidence of the deed was never made public until the mortgage was filed today. The deed names a nominal consideration and the bank officials decline to make public the amount which London borrowed on the property.

Since London left Honolulu, some time ago, the bank people have heard nothing from him. They attempted through various sources to gain some information concerning him today, but were unable to do so. It is understood that the mortgage was to be held without being recorded as long as London's safety seemed assured, and the action

RESISTANCE BY KALIH LEPER

For the first time in a number of years, the Board of Health was this week compelled to resort to a legal process to secure a leper in this city. Generally there has been no trouble whatever, and probably would not have been in this instance but for the fact that the woman victim who lived in Kakaia had been told to resist. She stated when the matter was brought to the attention of the board that she would not go to the receiving station at Kalihi, and that she had been advised by Dr. Archerley not to do so. As a result a warrant had to be issued for her arrest.

It is understood that steps are being taken to have Archerley's license revoked on grounds of unprofessional conduct, and it may be that he may be proceeded against criminally on the grounds that he has treated infectious diseases without reporting the matter to the Board of Health. Physicians are required to do this by law, and failure to do so makes an offender liable to a fine of from \$10 to \$100.

It is understood that Wallace may also be proceeded against for illegal practice of medicine in a short time, officers being busy working up several cases against him.

of the bank today is taken as an indication that its officers despair of his safety.
